## School Website

Have you seen our new school website?

**WICKERSLEY NORTHFIELD  
PRIMARY SCHOOL**  
Welcome to Our Website!

All the teachers have spent time adding more content to our school website.

You will now find out more information about the subjects we teach and what objectives are taught in each year group. (Our Curriculum page)

You will also see information from the class teachers about what your child is learning in their class. (Class Pages)

There are lots of useful links to resources to support your child at home.

Please, let us know what you think to our website.

## Christmas Tree

Unfortunately, Wickersley Parish Council have cancelled their annual Christmas light switch on event due to the current restrictions.

However, they have put a Christmas tree up near the Tanyard and they are asking for children from the community to make decorations and then place them on the tree.

If you would like to be part of the community tree, please make a decoration at home and then go and find a branch to place it on.
