## Parking

It is extremely disappointing that after only re-opening to all pupils last Monday that I am having to remind our parents about parking their cars.

Surely it is easier (and quicker!) to park further away from the school grounds and walk than double parking and squeezing your cars into spaces you shouldn't be parking in.

Please, think safety first!

- **Do not stop or park on school marking restrictions.**
- **Do not park on the pavement.**
- **Do not double park making it impossible for cars to drive up/down the road.**
- **Do not park on the corner of the road or too close to the junctions.**
- **Do not drive on the pavements.**

All the above should be common sense but unfortunately, some of our parents are putting lives at risk by doing the above things.

The Beat the Street initiative is coming to Rotherham soon and I really hope this fun walking and cycling game encourages more families to keep healthy.

More information to follow.

After COVID restrictions we all need to boost children's physical and mental health. What better way than exercising and safely walking to school!

## Late!

**Are your children arriving late for school?**

Please, remember the importance of punctuality and education. Lessons start 5 minutes after the class start time. By arriving late they are missing valuable learning time and also distracting other pupils from their learning.

These classes start at 8.30am:

**F1, 1JH, 2BP, 4MS, 4ES, 5MM**

These classes start at 8.45am:

**F2A, 2KB, 3LT, 6SO**

These classes start at 9am:

**F2L, 1LP, 3GS, 5LW, 6ER**

## 100% Attendance

What a great start!

Last week we had eight classes with 100% attendance.

**F2L, 2KB, 3GS, 3LT, 4ES, 4MS, 5MM, 6SO.**

Let's see if we can keep up this amazing attendance.

## Comic Relief

Friday 19th is 'Red Nose Day!'

Don't forget that the school council have organised a 'wear red for red nose day' (non uniform day).

Minimum £1 donations can be paid on School Money or money brought into school on Friday.

Thank you in advance for supporting this charity event.

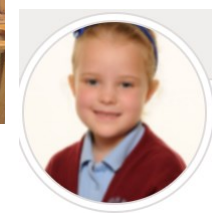

## Gold Awards

A huge WELL DONE to Sophie Hinchliffe,

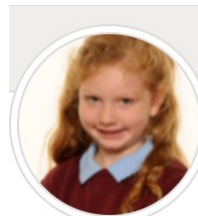

Belle Baggaley,

Amelia Wallage,

Evangeline Hemphrey-Horton (again!),

Jake Bossingham,

Alexis-Skye Andrews-Hawley,

and Harry Green

who have all achieved their gold award on Mathletics.
