Covid Testing Expectations

How you can support us to reduce the cases in school

Parents continue to take twice weekly LFT testing to help identify cases promptly

If your child has any of the main symptoms of COVID or there is a chance they could have it, take them for a PCR test

Everyone who has symptoms should self-isolate until receiving their PCR results

DO NOT bring your child back to school until you have confirmation of a negative PCR test and have sent the confirmation to the school email address enquiries@wnp.wwp.at.org

If your child has had a positive test result, DO NOT bring them back until at least 10 days after their symptoms started or 10 days after the test was taken if they didn't have any symptoms. (Even if they are feeling alright and want to come back to school.)

If someone in your household tests positive, please take your child/ren for a PCR test.

Well done to everyone who participated in It's Good to Grow. We reached 2163 It's Good to Grow tokens! Can we say a huge thank you to everyone who has contributed and the Eco Warriors will be meeting to decide what items they would be best spent on for our school.
