

# **School Photos**

Class photographs will be taken on Tuesday 22nd of March.

Photographs of internal school siblings will also be taken at this time but unfortunately due to the current restrictions we cannot accommodate family / group shots with under school age children. While restrictions are being eased, infection rates are rising and we want to continue to protect our school community during this transition period. Thank you for your understanding with this matter.

Also, any pupil who missed their individual photos will also be able to have those done on the same day.

# Social Media

Social media can be an excellent communication tool and is full of its own merits, however can we request any concerns regarding school be brought to our attention in person so they can be dealt with as soon as possible. Thank you in advance for your co-operation.

In Mathletics this week 2 children have achieved their gold award. Excellent work and a huge well done to...
