Mathletic Awards

In Mathletics this week 1 child has achieved their gold award. Excellent work and a huge well done to Mia Courtney-May (F2L)

Sports Day

A date for your diaries! Sports day this year will be on Thursday 9th June 9:30am and 1:30pm for EYFS.

Wednesday 8th June 1:30pm for KS1, Tuesday 7th June 1:30pm for year 3 and 4 and Friday 10th June for year 5 and 6.

Car Incident

A child from our school was hit by a car door being opened, which was parked on the pavement on Warren Road, as he rode past it on his scooter. He was knocked off his scooter and into a bush. Unbelievably the lady in a silver car who hit the child with her door did not check on the well being of our pupil and drove off from the scene without an apology. We find this unacceptable and the safety of our pupils is our main concern. The pupil was fine but it is a warning to us all to stay vigilant, keep road safety at the forefront of our mind and park sensibly.

Eco Day

As a reminder, it is Eco Day this week on Thursday 19th May, apart from year 2, who will have their Eco Day on Monday 23rd May, and year 6 who will have their Eco Day Friday 20th May.

Children can come dressed in one of the colours from the sustainable goals as these will be introduced to the children on Eco day. Please do not buy anything new for the day. Thank you.

Sporting News

The year 2 golf team were in action last week taking part in a Tri Golf tournament.

The children had never taken part in a golf competition and were eager to try their best and give it their all.

Their determination and growth mind set enabled the children to win the tournament!

3rd place scored 311, second place 312 and Wickersley Northfield Primary School scored 428 points! Congratulations.

The under 9 cricket team were also in action last week for their first game against Coleridge. Both teams played really well but Wickersley Northfield Primary School were victorious scoring 260 runs for 0 wickets, while Coleridge scored 235 runs for 0 wickets. Well done to Darcey Yellott, Archie Dransfield, Oakley Hutchinson, Edward Kemp, Holly Rawlinson, Carter Uttley and Russell Wilson.

Battery Hunt

We are taking part in The Big Battery Hunt. Over 20,000 tonnes of batteries end up in landfill sites in the UK each year! That's as heavy as about 4,000 elephants! Each class is collecting used batteries - AAA, AA, C & D (no button cells please). Which class will collect the most? With the help of an adult collect used batteries (AAA, AA, C & D) and bring into school. Any leaking batteries please put in a separate bag. Batteries, even used ones, present a small risk of fire and source of ignition. The risk can be greatly reduced by taking the following simple precautions: keep batteries dry and away from sources of heat. Do not put
