Eco Day

Eco day was a complete success with the children (who have already had theirs) looking excellent in their sustainable goal colours and participating in a wide range of Eco activities ranging from learning about wind turbines, creating air powered cars, wildflower planting, eco-art, creating a landfill in a bottle and gardening in school's nature area.

In addition to all of the above the children were introduced to the 17 sustainable development goals and why they are important for everyone. Why not talk to your children about them and see what they have to say?

Sporting News

Wickersley Northfield Primary School's under 9 cricket team were against Badsley Primary school. It was a close match with our team winning again by just a single wicket! Well done to the following children for keeping their nerve and playing so well: Darcey Yellott, Archie Dransfield, Harley Brookes, Oakley Hutchinson, Edward Kemp, Holly Rawlinson, Carter Uttley and Russell Wilson who was player of the match!

The under 9 cricket team had a player missing in last weeks roster, so a huge well done to Harley Brookes for his efforts with the cricket team the other week too!

Water bottles

Please ensure your child has a water bottle for the classroom and another for the dining hall if they are on packed lunches. Cups of water are always available in the dining hall.

Battery Hunt

We have got off to a great start in 'The Big Battery Hunt'. Some classes have already filled multiple boxes and are looking to fill more.

Classes are competing to fill as many as possible and Mrs Sinclair has plenty of spare boxes that need filling. Which class is going to win?

Please don't forget, batteries, even used ones, present a small risk of fire and source of ignition. The risk can be greatly reduced by taking the following simple precautions: keep batteries dry and away from sources of heat. Do not put damaged batteries in the box.

Jubilee Party

On Friday 27th May, we are having a Jubilee street party at lunch time for the pupils. Please book for a school lunch if you would like a Jubilee buffet for the day!
