Batten's Disease Awareness Day

Batten's day is Thursday 9th June and all children, if possible and please don't buy anything new, can come dressed in orange.

This year we would like children and staff to run/walk 13 laps to raise money for the BDFA.

They can either run/walk 13 laps of the small track (Bronze), 13 laps of the track including the playground (silver) or 13 laps of the field (gold). EYFS will

In addition to this we are running a penalty shoot out competition at dinner time on Wednesday 8th June for 50p an entry, and on Thursday 9th June at dinner time, pupils will have a chance to soak some of the staff with wet sponges for 50p a throw! Please bring your money on the day if you want to join in.

Finally we have a raffle that is running in school until 12:00pm Friday 10th June and it is £1 an entry which can be paid through Arbor and includes many prizes such as 2 £50 gift vouchers from Leanimals!

A Day At The Beach

On Friday 10th June the 'A Day at the Beach' theme day is running across Dolce primary schools. Not only is there a lucky plate prize for one lucky pupil, there is a prize for kitchen teams too! 1st, 2nd & 3rd prizes are up for grabs for those with the best dressed serving areas / hatches so we look forward to seeing these on Friday.

Jewellery

As a polite reminder, children should not be wearing any jewellery to school apart from stud earrings. Could all parents and carers please ensure, for health and safety reasons, this policy is being followed. Thank you.

Sporting News

Before half term Wickersley Northfield Primary School's under 9 cricket team were playing St Ann's Primary school. It was a great match with our team securing another win! There were some great skills on display from the children who all played well. Archie Dransfield took 2 wickets and Holly Rawlinson and Harley Brookes both took a wicket each! Congratulations to the whole team: Darcey Yellott, Archie Dransfield, Harley Brookes, Oakley Hutchinson, Edward Kemp, Holly Rawlinson, Carter Uttley and Russell Wilson.

Battery Hunt

It is the final week of the Battery Hunt and some classes have been filling up multiple boxes so thank you for everyone's participation. The competition is a close one!

This Friday is your final chance to bring batteries in to school.

Please don't forget, batteries, even used ones, present a small risk of fire and source of ignition. The risk can be greatly reduced by taking the following simple precautions: keep batteries dry and away from sources of heat. Do not put damaged batteries in the box.

Year 6 First Aid Training

Our Year 6 pupils have been given the opportunity to learn basic first aid as well as lifesaving skills this week. These sessions have been very kindly donated to our Year 6 pupils by a parent, Mrs Preece. We recognise the importance of children having these skills and we hope that should the children ever be in a situation where somebody requires help, they would know what to do.

Mathletics

Mathletics is an excellent resource for the children to use at home on a regular basis.

They update their resources ensuring the children are challenged in different ways.

Teachers regularly check on how children are accessing set content to see if they are applying what they have learnt in school.

The children receive awards and certificates for their participation.

Most importantly though is that Mathletics follows what is being taught in class and uses the same resources and question types which teachers draw upon in school so it is great to see how your child is getting on.

Reading for pleasure

Reading is the key to many aspects of life. One of the best ways to promote reading and improve your child's reading ability is to foster a love of reading from as young an age as possible. Use their interests, humour and hobbies to engage them in a range of texts. Support them with their book choices through recommending good reads and read aloud together enjoying the information in the non-fiction or lose your self in the plot line of a fictional text.

Inset Day

Please remember that Friday 1st July is a school inset day.

School will be closed to pupils but staff will be in school.

New Classes

On Monday 4th July children will be starting in their new classes.

New classes information will come out later this week.

Jubilee Celebrations

On Friday 27th May the children had a fantastic Jubilee party during their dinner time.

The children looked great in their red, white and blue outfits and even though the wind tried to blow their food away at times, the children thoroughly enjoyed their street buffet on the school yard all together in their key stages listening to music.
