(2LT)

Maisy Thompson (2LT)

Harry Stothard (5LW)

Rebecca Slater (5MM)

## 48 Hour Rule

As a general reminder please remember that it is recommended that **any child with diarrhoea and/or vomiting symptoms must stay away from the school or early years setting until they have been free of symptoms for 48 hours** (the '48 hour rule') and feel well.

## Free School Meals

With the current cost of living crisis every bit help so we wanted to remind everyone that every child in KS1 and FS2 receive **free** school meals!

There aren't any forms to fill in and you just need to order the food your child would like from Dolce. Please see the food choices available on the second page of the newsletter.

## Names On Belongings

Throughout the year children in all year groups inevitably misplace items of clothing, especially in the younger year groups.

As items are handed in staff in school do try and find who they belong to, or if a child has lost something specific staff do try to locate their item for them.

At the end of the last academic year there were 5 full bin liners of unclaimed clothes.

Please can all children's belongings be labelled with the child's name and their class as this ensures any lost items are returned to them. Thankyou.

## Math's Key Fact Superpowers

This year we are relaunching our Math's Key Fact Superpowers to include some key vocabulary that will help the children's understanding and reasoning during each half term (these will be posted on Google classroom, Classroom windows and can be found on our website). The Math's Key Facts are vital in your child's learning and understanding in Maths and should be recalled instantly like a Superpower! Once children are confident with these facts they can access more Maths concepts more easily. As part of this relaunch, we are setting a competition to name the new Math's Superheroes - look out for details of this on Google Classroom later this week - good luck superheroes!
