Team Empower

Mrs Williamson is working closely with a brand new team of children who will focus on Mental Health and Well Being. The team are currently being trained by Mrs Williamson as 'Mini Mental Health Medics'. They are undergoing a course which will provide them with a basic understanding of mental health, including what mental health means, how it is linked to physical health, what to do if they have a worry and the various ways in which they can look after their mental health. Using this training, the team will then be Mental Health Representatives and will act as a pupil voice for PSHE and mental health and well being.

Poppy Appeal

Poppy appeal merchandise has arrived in school and will be on sale in the coming weeks.

Please send your children to school with the correct change if they would like to purchase anything and support this worth while charity.

Sports

Before the half term holidays at Wickersley Northfield Primary School the Under 9's Basketball Team were in action again against Canklow woods Primary School.

Due to the weather the game had to played in doors. The children played well and the games were fast paced with excellent support from parents on the side lines. After a close first half with scores tied at 4 - 4, Wickersley Northfield ended up losing 10 - 8. Charlie Coulson received a merit from Mr Richardson in the game.

What an amazing run the children should be proud of. This was their last game and put them second overall in the league.

A huge congratulations to the following children. Phoebe Parkinson, Freya Hill, Luke Anderson, Zayan Rashid, Charlie Coulson, Oliver Turton, Lucan Hill, Evangeline Hemphrey-Horton, Alyssa Courtney-May and Olivia Bowns.
